"As a school, we would like parents to know that we do cuddle the children. Due to the very fact that the children at Round and Round the Gardens are young, we feel that should they come to us needing a cuddle e.g. if they are upset due to 'leaving' mummy/daddy, if they have hurt themselves or if they feel sad or unwell; we will cuddle them. We also feel that as caring, professional people, we can offer a cuddle to a child whom we feel may need it, by way of reassurance or as a sign of affection.

This does not mean that children have to accept cuddles, nor does it mean that we **impose** cuddles on children. We strongly uphold and respect the wishes of all children and their parents. Therefore, should you have any concerns about this policy, or if you would like to discuss the matter further, please do not hesitate to speak to the Manager or any member of staff".
